

Covent Garden Farmers' Market 2020 Summer Musician Application

We are very excited to have local musicians playing at our farmers' market! We greatly appreciate your talent and recognize that music helps set the tone of the market. If you and your band are interested in playing at our market, please read the information below, fill out the application portion, and return to the market office with a CD or link to where we can hear your music. You can also email the application with a link to your music, to farmersmarket@coventmarket.com. We will get back to you concerning scheduling and confirm your availability. Please note that the application is open only to those who are 16 and older, and applying does not guarantee a spot. Appropriateness of music for the market is taken into consideration.

Thank you for your interest and we look forward to hearing your music!

Market information

Each Thursday, we book music from 4-7 PM. Our Thursday Markets run from May 7th through to October 29th. We provide a canopy and electricity, but you must provide your own power cords, amps, etc.

Parking

You can pull your car up to the 'upper' level of the square to unload, and then park it below in the underground parking lot. We will provide you with a parking pass.

Scheduling

We will do our best to schedule you on your requested dates. Please note that you will receive a confirmation email before the market opens for the season, and then a reminder email a few days before your scheduled performance.

Conduct

Music must be played at an appropriate volume. Due to the close proximity to the vendors there can occasionally be issues with volume that interferes with vendor-customer interactions.

Volume must be immediately turned down if requested by the market manager and/or by a market vendor.

Cancellations/tardiness

Please give ample notice for cancellation (i.e. 48 hours). If there is a possibility you will be late that day, please call the market manager immediately. Contact information provided upon booking.

Time Frame

Typically, you will be hired for a 3-hour performance, from 4-7 PM. The expectation is that you will play for the entire time, except for a 15-20-minute break.

Payment

Yes, we pay! Details to be discussed when you have applied and are hired.

Extra stuff

We all love to support local musicians, so please bring your CDs for sale, promote any upcoming shows, and it helps to put out a bucket for 'tips' as well.

Application

Please fill out, sign and return with a link to an online platform where we can listen to your music. You can email to: farmersmarket@coventmarket.com
